A young woman with glasses on her head is talking to a smiling young woman in a classroom. The background shows other students and desks.

**A meaningful school that  
enriches all – every day**

Welcome to Falun's municipal compulsory school and  
special-needs compulsory school

FOLUN

## **Welcome to Falun's municipal compulsory school and special-needs compulsory school**

We want you as a pupil and you as a guardian to feel well received in our compulsory and special-needs compulsory school and to feel that our teaching maintains a high quality. We continuously work to develop our teaching and provide skills development for our teachers – all based on research and well-tried experience.

Together, we strive to give you as a pupil good chances to influence your education and to get you as guardian involved in your child's schooling.

All of our pupils should find it interesting, educational and stimulating in school and as a pupil you should have an opportunity to do your best in Falun's compulsory school.

### **BJURSÅSSKOLAN**

Bjursåsskolan is a new, state-of-the-art school where a sense of security and study results are the focus. At this school, you find experienced teachers who push and support you based on your goals and needs so that you will be able to achieve your best and be ready for what comes after secondary school.

### **BRITSARVSSKOLAN**

At Britsarvsskolan, we want everyone to succeed! Those of us who work at the school have extensive experience, a high level of expertise and qualification in all of the school's subjects. We work together, adults and pupils, so that you as a pupil will be involved in your education and your learning. We want you to be able to achieve your goals and be equipped for your future.

## **HÄLSINGGÅRDSSKOLAN**

Hälsinggårdsskolan is a school for everyone where all of the pupils are everyone's responsibility! Here, you will find committed staff with extensive expertise. Our work on knowledge development takes place on the basis of the formative education mission and the pupils' sense of security. Our premises enable science instruction in a lab setting, a favourable learning environment for practical aesthetic subjects and newly renovated classrooms equipped with touchscreens.

## **MONTESORISKOLAN**

Montessoriskolan seeks to be a school with open doors and strong ties to the surrounding community. The desire to learn is seen as an important prerequisite for learning and we want to provide room for the pupil's drive, interests and capacity.

## **SVÄRDSJÖSKOLAN**

At Svärdsjöskolan, we create a safe learning environment, where knowledge, involvement and cooperation permeate our work. With us, you will have an opportunity to reach your full potential, both in terms of knowledge and as a person. The goal is for all pupils who leave Svärdsjöskolan to be independent and able to take personal responsibility for their future. Welcome to our newly renovated school!

## **VÄSTRA SKOLAN**

Our vision is for Västra Skolan to be a given choice for pupils, parents and teachers. Västra is a school for all, where every individual can feel secure and develop. We want to be on the forefront in every area of school. We have extra focus on security and peace and quiet for studying, a desire to learn and increased goal attainment. A focus that has generated clear results.

## Your possibility for development and learning

All of us that work in Falun's compulsory schools have the shared goal that you as a pupil will achieve "your best". You will be able to develop your knowledge and abilities to the furthest possible extent based on your circumstances.

We strive to offer you an increasingly stimulating education in school with an opportunity to develop important abilities for the society of today and tomorrow. It is important that you as a pupil feel secure and well, which is why Falun's compulsory schools work with an extensive focus on this, where the health-promoting and preventive security work is a high priority. Measurements show that Falun's compulsory schools' pupils feel very secure in the school setting.
